View of the lighthouse

With a view of the beach and the sea, every day here is an invitation to go out. with the bustling promenade and the sea so close by.

Furnishing Midday

The living room has large windows, so the sunlight makes the room bright and inviting. From the living room opens onto the spacious balcony with garden furniture. With 3 bedrooms, the third of which was created in 2022, making room for 6 people. The master bedroom has a spacious double bed, the second bedroom has two single beds and the third bedroom has a double sofa bed that can easily be pulled out.

The bathroom has a shower and a washbasin cabinet with ample storage space. At the rear is the kitchen which is well equipped with, among other things, a dishwasher.

Surroundings

The beach is 90 metres away which is already holiday fun every day, but the area around Noordwijk has many possibilities. The colourful bulb fields in spring, but also many historical cities such as Leiden, Alkmaar and museums that are definitely worth a visit.
