

Holiday at Villa Nina

Here you will find the true pleasure of spending your holidays in VillaNina. With a garden bordering the water and several seating areas and a small jetty, it offers an excellent opportunity to enjoy the outdoors.

The holiday home is flooded with daylight through the many large windows, bringing the outdoors feeling inside. The living room is comfortably furnished with an easy chair and a sofa with another armchair. The dining table is in the 2022-built extension with windows all around. So table with the best view outside.

The kitchen is modernly equipped with an oven with extensive possibilities and a separate microwave, dishwasher and fridge freezer. Downstairs there is a guest WC.

The staircase leads to the upper floor where there are two bedrooms, both with tastefully decorated walls. The bedrooms are furnished with the first bedroom a double bed and the second bedroom two single beds. The bathroom has a washbasin, shower and toilet.

There are two parking spaces at the holiday home.

Holiday Park in Noordwijk

VillaNina is located in a beautifully laid out, quiet holiday park. There is a small playground for the children. The park is about one kilometre from the beach and 4 kilometres from the bustling village of Noordwijk.
